Dear Sir:- I saw it announced in the papers some time since that you were engaged writing an elaborate history of the Anti-Slavery Movement. Will you be kind enough to inform me when it will be likely to be published and by whom?

You will, perhaps, pardon this intrusion upon your valuable time when I inform you that a many years ago, before I landed upon the shores of Columbia, I was among your ancient settlers in my native town - Liverpool which can boast of its Roscoe, and in later years of its Sir Laurence Hayworth & William & Richard Rathbone, Gentlemen, whom I esteem it an honor to have known.

Permit me, Sir, to congratulate you on the glorious triumph of the principles of which you are the representative. With you arms crowned with laurel, after bearing the brunt & burden of the battle for so many years, your noble heart may well swell with pride and your tongue exclaim "Now Lord lettest thou thy servant depart in peace for mine eyes have seen thy glory." Wishing you prosperity & happiness for many years to come

I remain
Yours Truly
